20:00 Evening social event

Vincent J. Morgan, D.M.D.

Vincent J. Morgan, D.M.D., a 1970 graduate of Tufts University School of Dental Medicine, leads the prosthetic team at his private group practice, the Implant Dentistry Centre in Boston, Massachusetts, USA. Doctor Morgan is responsible for the development of the Integrated Abutment Crown™ (IAC) – a revolutionary screwless and cementless implant restoration and TRINIA™, a metal-free fiber-reinforced CAD/CAM material with milled retentive copings for telescopic restorations. He is also the Editor of The Bicon Short Implant: More than Thirty-Year Perspective.

Along with the other clinicians at the Implant Dentistry Centre, Doctor Morgan is responsible for the development and education of many of the restorative techniques of the Bicon Dental Implant System, which includes the immediate stabilization of Bicon implants and the extra-oral cementation of implant crowns.

To register for the Bicon workshop, call +421 903 723 743 or write to the email address jveljacik@bicon.com.

To register for the practical workshop, call +421 903 747 760 or write to the email address sanitaria@sanitaria.sk. Workshop is led by MUDr. Stebel Adam.
